

Attestation of conformity of the factory production control

0765-CPR-0372

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), it has been stated that the construction product

Birch plywood EN 636-3 S

plywood, birch, phenol-formaldehyde (PF), unfaced/laminated
technical class: unfaced (EN 636-1 and EN 636-2) for use as structural components in dry and humid conditions; laminated and edge sealed (EN 636-3) for external use as structural components

placed on the market by

A/S Latvijas Finieris

Bauskas iela 59

1004 Riga

Latvia

and produced in the factory

A/S Latvijas Finieris

mill "Lignums"

Finiera iela 6

1016 Riga

Latvia

is submitted by the manufacturer to a factory production control and that the notified body No. 0765 - Fraunhofer-Institut für Holzforschung, Wilhelm-Klauditz-Institut WKI - performed the continuous surveillance, assessment and approval of the factory production control in first half-year 2017.

This attestation confirms that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

EN 13986:2004+A1:2015

were applied.

This attestation is part of the evaluation report and confirms the certificate with No. 0765-CPR-0372 in System 2+ as long as the conditions laid down in the harmonised technical specification, the manufacturing conditions in the factory or the factory production control itself are not modified significantly.
